Mulligans Golf & Games has something for everyone with two 9-hole courses, a lighted and heated driving range, practice areas to improve your swing, two miniature golf courses, batting cages, footgolf, top-of-the-line golf equipment, and PGA golf pros who offer group and private instruction. Mulligans is also in the midst of completing many upgrades. We are excited to show you all the improvements we continue to make!

Mulligans & First Tee Junior Program

Mulligans is excited to continue our partnership with First Tee Utah. This new Junior program will serve youth ages 7-17 years old, teach participants basic golf skills, and focus on building life skills as well. Each age group will receive a new curriculum to help them develop as an ethical golfer, and build inner strength, self-confidence, and enthusiasm for the game. Classes run eight weeks and continue all year long with the convenience of our heated driving range. More information can be found on our website.

Driving Range

Our Facility offers both artificial and natural grass hitting areas. During inclement weather, just move to our covered, heated, or fan cooled hitting areas. Practice is available at Mulligans rain or shine year round.
